NOTICE OF INFORMAL APPLICATION

Sir:

This is in response to the Notice of Informal application dated August 19, 2004.

Initially, the document asks for proof of authority of legal representation under 37 C.F.R. 1.44. As can be seen from the enclosed computer printout, proof of the authority of legal representative, under 1.44, has been deleted from the Rules, as of September 8, 2000. Hence, Applicant does not know, at this time, what further needs to be done with respect to the Declaration signed by the Executor of the estate.

The Declaration as previously filed, identified the inventor as a U.S. citizen, at the time of his death. The document was signed by his wife, whose is the Executor of the estate. The residence is clearly set forth as 13740 Cyril James Road, Benton, Illinois 62812.

Hence, in view of the foregoing, and in view of the deletion of rule 37 C.F.R. 1.44, Applicant does not know what more needs to be done to establish this application as a formal application, rather than as identified by the Patent Office.

Can someone please look into this matter, and either accept the Declaration as filed, or let us know specifically, under current rules, what further needs to be done to complete this application, since a review of the rules does not provide any further information.

Your assistance is appreciated.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Paul M. Denk', written in a cursive style.
